VEHICLE REGISTRATION

This regulation establishes procedures to be followed by all personnel when registering their POV with Edwards Air Force Base.

1. Responsibility. It is the responsibility of all assigned and attached personnel to comply with this regulation.
2. Procedures.
  - a. All personnel driving POV's on base are required to register same with the Security Office, Bldg 4496, at North Base.
  - b. POV's will be registered within five days after arrival on base.
  - c. Temporary registration is not available and vehicles safety inspections are no longer required by the Security Police at Main Base.
  - d. AF Form 533, Certificate of Compliance - Private Vehicle Registration, will be executed by all personnel for POV's being driven on base as a condition of registration. AF Form 533 is a certification by the owner that he possesses the minimum required liability insurance for the POV. This form is retained on file by the issuing unit.
  - e. Upon registration, owners of POV's will be issued an Air Force decal (AF Form 66) which will be placed on the left front bumper not more than 12 inches from the outer tip of the bumper.
